Title: DELPHYNIA'S ANSWER

Author:

Most esteemed Ruggs,  
I cannot forget the day I  
first beheld thy face, for  
it is never far from my  
mind. As thou art never  
far from mine heart. I  
will admit that to thee,  
though it may shame me.  
I cannot promise when, or  
if, we can ever be  
together, dear Ruggs. For  
thou art in exile, and I  
am the only healer in  
Fawn. I cannot dwell  
outside of the gates with  
thee, no matter how  
much mine heart may  
wish it. But someday, if  
the heavens smile upon  
us, I shall be able to  
cast aside my doubts and  
come to thee as thy  
love. Until then, I remain  
ever thine. -- Delphynia
